

**Dangling over  
a pit of flaming  
spikes.**

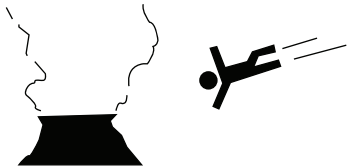

**Locked in a  
cage with a  
severely upset  
bipolar bear.**

**Your snoring woke  
the dead and  
they've come  
back to shut you  
up for good.**

**Thrown from a  
bullet train into an  
active volcano.**

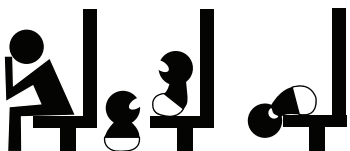

**Trapped in  
the Friend Zone.**

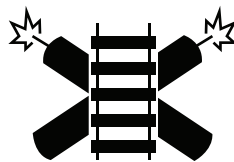

**Experiencing  
a literal  
brain freeze.**

**Inside a plane full  
of crying babies  
on a 12 hour flight.**

**Tied to a railroad  
track made of  
dynamite while a  
train with matches  
attached to the  
wheels moves  
towards you.**

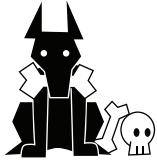

**Shoved into the  
armpit of a giant.**

with bugs the size  
of beds.**

**Someone has  
strung you up  
like a puppet.**

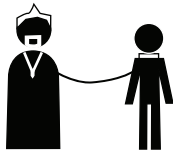

**Trapped in  
the Amazon.**

**A dog trainer  
thinks you are an  
untrained dog.**

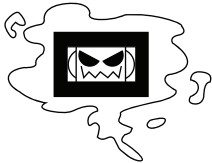

**Stuck inside a  
human-sized  
Chinese  
finger trap.**

**Sent to Alcatraz  
to serve a life  
sentence for  
a crime you did  
not commit.**

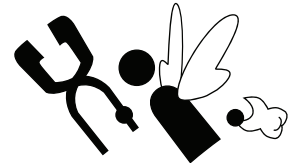

**After all these  
years, your  
overdue movie  
rental has come  
back to haunt you.**

**Holding a burger  
and a milkshake  
during a vegan  
flash mob.**

**The Tooth Fairy  
is trying to knock  
all of your teeth  
out early.**

**Being hunted by a  
mutant silverback  
gorilla.**

**Good News:  
You found Bigfoot.**

**Bad News:  
Bigfoot found you.**

**A boy in  
green tights  
flew through your  
window and is  
now trying to take  
you away.**

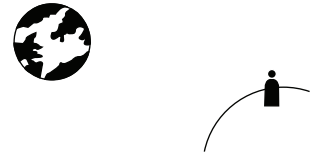

**Those aren't costumes at this costume party... They're real monsters.**

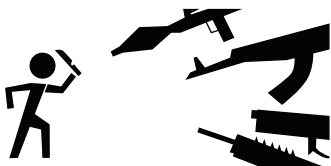

**Fallen into a giant fly's bowl of soup.**

**Left on the moon after an Apollo mission.**

**Brought a knife to a gun fight.**

**Drowning in a foam pit.**

overtaken your  
house and you  
are nowhere to  
be found.**

**The police have  
found your stolen  
cookie stash and  
are closing in.**

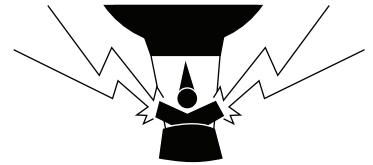

**The skeleton  
inside of you has  
become sentient  
and now desires  
freedom.**

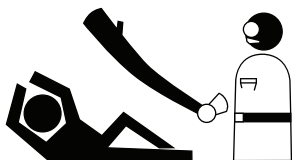

**In a house of  
mirrors full of  
vampires.**

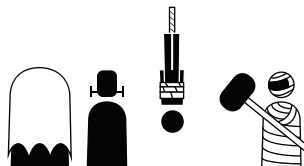

**Stuck in a hot air  
balloon with a  
wizard that drank  
too many potions.**

by a depressed  
giant squid.**

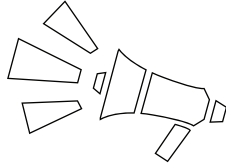

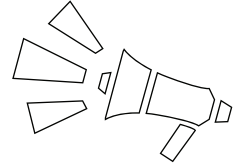

**Run, run as fast as you can, you can't outrun the killer gingerbread man.**

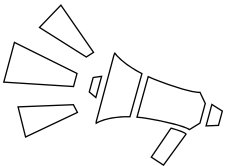

**...and its high levels of radiation cause deadly mutations.**

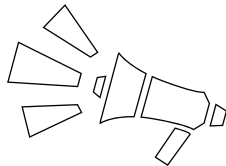

**...and you are trapped with it behind a series of increasingly difficult puzzle doors.**

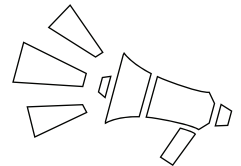

**...and you have just fainted.**

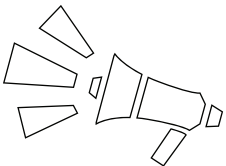

**...and the weather has taken a drastic turn for the worse.**

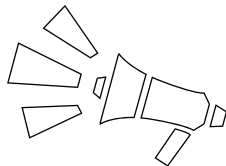

**...and it is immune to physical attacks.**

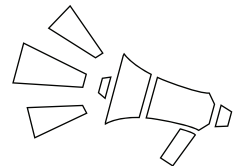

**...and a meteor is minutes away from your location.**

**...and you are currently babysitting a possessed baby.**

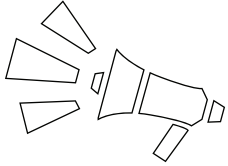

**...and you have trouble accepting help from people.**

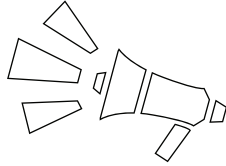

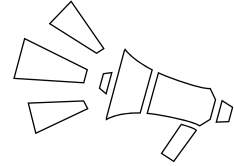

**...and an alien invasion has just begun.**

**...while you are trying to impress the boss for that awesome promotion.**

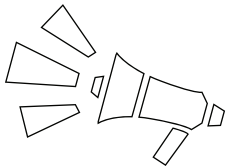

**...and you are in the middle of a minefield.**

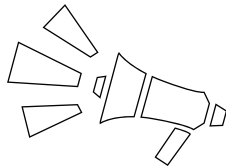

**...and a nemesis is involved.**

**Use the Skill and Tool of whoever played this as an obstacle.**

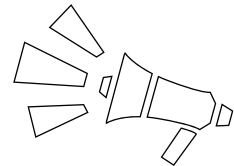

**...and after that this happened...**

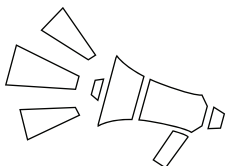

**Draw and add a second Danger.**

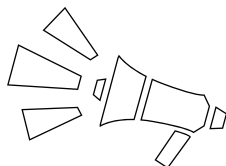

**...and you have failed to notice the bigger one behind it.**

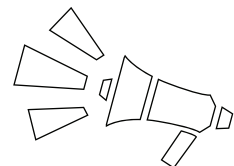

**...and the ground is lava.**

**...plus snakes. Why did it have to be snakes...**

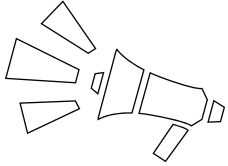

**...and it has historical significance so destroying it is not an option.**

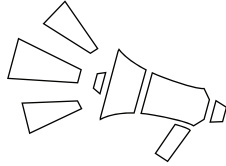

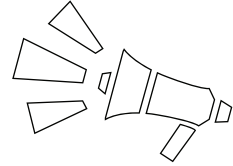

**...and this isn't  
even its final form.**

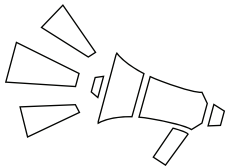

**...but you are  
unable to open  
your hands.**

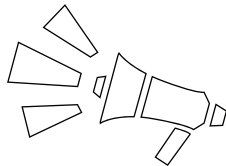

**...but it breaks  
every bone  
in your body.**

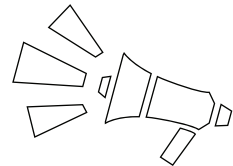

**...but it's all in  
your mind.**

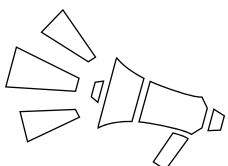

**...but with only  
enough energy to  
do it one last time.**

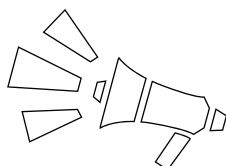

**...but with an  
unquenchable  
need to take  
selfies at  
inappropriate  
times.**

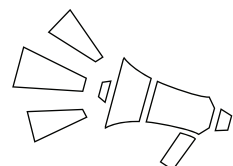

**...but will self  
destruct when  
saying anything  
other than your  
name.**

**...but there's  
a powerful  
urge to pee  
and any sudden  
movement will  
cause a medical  
emergency.**

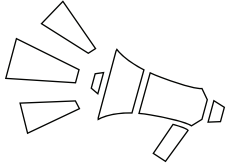

**...but as blind  
as a bat.**

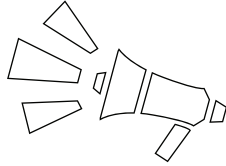

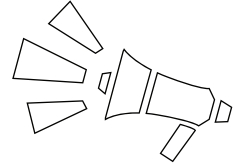

**...but a bug is flying around and becoming a giant distraction.**

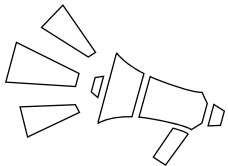

**...but not while others are looking.**

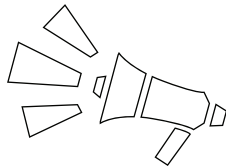

**...with a highly questionable success rate.**

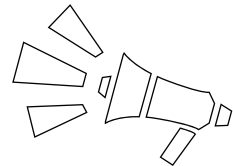

**...but slowly shrinking to a microscopic level.**

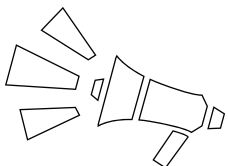

**...but doing so will break a sacred vow protecting the world from an evil inside of you.**

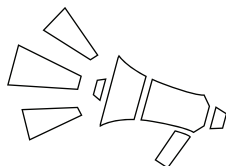

**...but you are more skilled to at being a major procrastinator.**

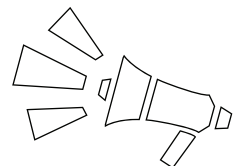

**...but you forgot how to walk in exchange for these powers.**

**...but you are bound to your current spot whenever you see the victim.**

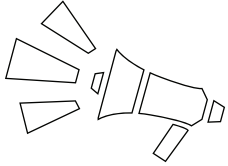

**...but you are terrible at everything else.**

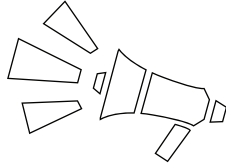

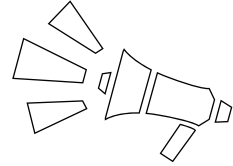

**...but a tiny  
thunderstorm is  
always overhead.**

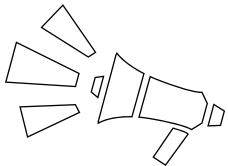

**...that was  
stolen from a  
vengeful god.**

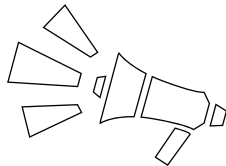

**...with too many  
self destruct  
buttons.**

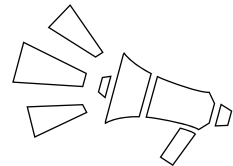

**...but you're  
not deemed  
worthy enough  
to use it yet.**

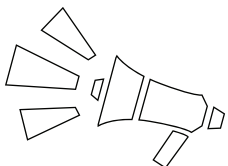

**...but batteries  
are not included.**

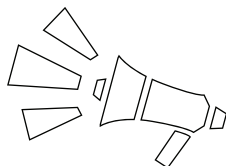

**...with a brightly  
colored spider  
inhabiting it,  
and you're pretty  
sure you read  
somewhere that  
those are bad.**

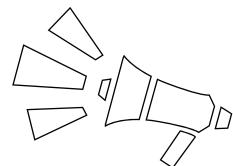

**...but it must  
first be tested  
on yourself.**

**...that was made  
for tiny, bug  
hands.**

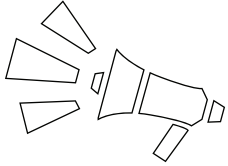

**...covered in  
literal fire ants.**

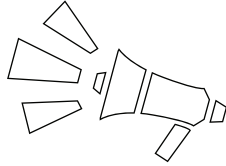

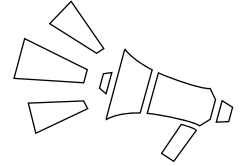

**...but it was child  
locked by your  
overprotective  
parents.**

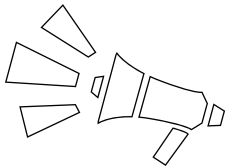

**...with only a  
single use left.**

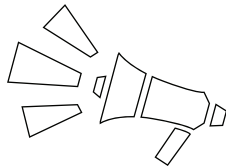

**A fragile  
replica of...**

**...that has  
consciousness  
and a terrible  
attitude.**

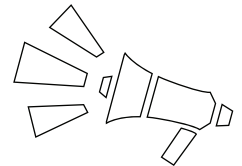

**A comically  
oversized  
version of...**

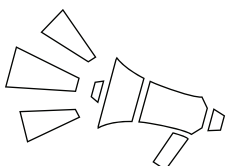

**...but it's you.  
You're the tool.**

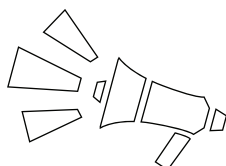

**Discard the Tool  
being used.**

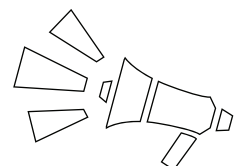

**...that is  
incredibly  
heavy.**

**...that drains  
strength with  
each use.**

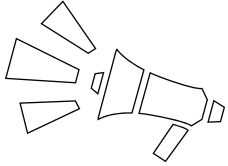

**...that does the  
complete opposite  
of its intended  
purpose.**

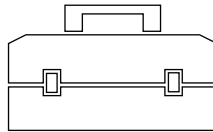

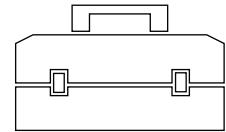

**...that causes an  
intense allergic  
reaction.**
